OPTION 1 OF 2 · STANDARD PARTNER AGREEMENT

Booking Partner Agreement

Between Crown Prince Hall Corporation and Sergey Grigoryev / KSX. The **streamlined** version — essential commercial terms for a fast, clean partnership. (Option 2 is a more protective, comprehensive version.) This is **not** a client venue rental agreement, and no event client is a party to it.

▲ **DRAFT FOR MANAGEMENT & COUNSEL REVIEW — NOT YET APPROVED OR EXECUTED.** Prepared from Crown Prince Hall Corporation's documents and the Sergey Booking Playbook. Not legal advice and not binding until reviewed by California legal counsel and signed by both parties. Items marked **[MANAGEMENT APPROVAL REQUIRED]** are unresolved; see Appendix C.

INTERNAL SUMMARY — AT A GLANCE

RELATIONSHIP	COMMISSION	CLIENT PAYMENTS	PARTNER'S EXTRAS
Independent partner	**15%**	**To the Company**	**100% Sergey**
Not an employee or agent	of venue rental fee only	Never to the Partner	Bar / drinks / vendors, if approved

In plain terms: Sergey refers and tours clients and reports bookings on Viber; the Company confirms availability, contracts the client, collects all client money, and keeps the records. For each eligible booking, the Company pays Sergey 15% of the venue rental fee, separately. Services Sergey arranges himself (bar, drinks, vendors) are his own revenue and are not on the Company's invoice — but still need Venue approval. Full rights and duties of each party are in Sections 2, 6, 8 and 9.

This Booking Partner Agreement (the "Agreement") is made as of the Effective Date below by and between **Crown Prince Hall Corporation**, a California corporation (CA Entity No. B20260164272) ("Company"), and **Sergey Grigoryev**, representing **KSX** ("Booking Partner" or "Partner"). The Company and the Partner are each a "Party" and together the "Parties." The

Company operates the Crown Prince Event Hall and Alvin Studio & Courtyard venues in San Jose, California.

BOOKING PARTNER

Sergey Grigoryev – KSX

Legal business name & registration: **[CONFIRM BEFORE SIGNING]**
Designated channel: "The Nobel Venue" Viber group

[MGMT APPROVAL REQUIRED] Do **not** assume "KSX" and "KSX Events, LLC" are the same legal entity. Confirm the Partner's exact legal contracting name, business registration, and address before signing. The signature block is drafted to capture the confirmed legal name.

---

1 Appointment and Purpose

The Company appoints the Partner as a non-exclusive, authorized booking and tour partner to refer prospective clients, conduct venue tours, present approved rates and policies, and coordinate confirmed reservations with the Company's team, all within the authority defined in Section 6. This Agreement governs only the business relationship between the Parties. It does not create, replace, or modify any rental agreement between the Company and an event client, and no event client is a party to it.

[MGMT APPROVAL REQUIRED] Confirm whether the appointment is **non-exclusive** (drafted) or exclusive, and whether it is limited to specific venues, territories, or event types.

---

2 Scope of Partnership

The Partner's responsibilities are to:

- Refer prospective clients to the Company.

- Conduct venue tours for prospective customers, by arrangement with the Company.
- Present only approved venue information, rental rates, and policies.
- Assist clients with selecting event dates and rental arrangements, within approved authority.
- Communicate booking details to the Company through the designated Viber group, "The Nobel Venue."
- Coordinate with the Company's team so confirmed bookings are entered into the official CRM.
- Assist with client communication before booking confirmation, within approved authority.

---

3 Booking and Confirmation Process

The Parties will follow this workflow for each booking (summarized in Appendix B):

1. The Partner finds and communicates with a prospective client.
2. The Partner conducts the venue tour.
3. The Partner discusses event requirements, preferred date, and rental rate within authorized limits.
4. The Partner reports the booking details in the designated Viber group.
5. The Company's team verifies availability and pricing.
6. The Company creates the official CRM record and prepares the client quotation and rental agreement.
7. The client signs the Company's rental agreement.
8. The client pays the required reservation payment directly to Crown Prince Hall Corporation.
9. The Company verifies receipt of payment and confirms the booking.
10. The Partner receives the applicable commission separately from the Company (Section 4).

A booking is **not officially confirmed** until the Company has verified availability, received the required reservation payment, and completed its confirmation process. The Partner may not represent a booking as confirmed before then.

4 Partner Commission

- The Partner earns **15% of the venue rental fee** for each eligible booking attributable to the Partner.
- The 15% applies to the **venue rental fee only**. Cleaning fees, security fees, refundable security deposits, taxes, and other separately itemized charges are **excluded** unless management expressly approves otherwise in writing.
- Commission is calculated on the **actual eligible rental amount received by the Company**.
- Commission is **paid separately to the Partner by the Company** on the agreed schedule.
- The client's full payment goes **directly to the Company**. The Partner must not deduct commission from any client payment.
- No commission is earned on a booking that is cancelled or refunded, subject to the final approved commission policy.

A worked calculation example is provided in Appendix A.

[MGMT APPROVAL REQUIRED] Confirm: (a) commission **base** — venue rental fee (drafted) vs total contract value; (b) commission **timing** — after the client's balance clears, or after the event; (c) treatment of **partial payments, cancellations, and refunds**; (d) the **payment schedule** for paying the Partner.

5 Additional Services and Independent Arrangements

The Partner may independently arrange additional services with clients – such as bartending, drinks and beverage packages, other approved event-related services, and separate vendor arrangements. For these:

- The Partner retains **100% of the revenue** from separately arranged services, subject to applicable agreements and approvals.
- These services are **separate** from the Company's rental agreement and rental invoice.
- The Partner is solely responsible for his own service arrangements, pricing, collection of payment, service delivery, and applicable obligations.

- All such services, vendors, alcohol arrangements, and beverage services remain subject to the Company's **written approval** and property rules.
- The Partner **may not represent** that these independent services are provided, guaranteed, or financially backed by Crown Prince Hall Corporation.

---

6 Authority and Limitations

THE PARTNER MAY — WITHIN APPROVED AUTHORITY

- Negotiate rental rates within a management-approved rate card.
- Communicate *tentative* availability (not a confirmation).
- Present approved rates, policies, and venue information.
- Offer discounts only with prior written approval.

THE PARTNER MAY NOT — UNLESS AUTHORIZED IN WRITING

- Sign contracts on behalf of the Company.
- Receive or hold client rental payments or security deposits.
- Approve refunds or cancellations.
- Change official venue policies.
- Make binding commitments outside approved authority.
- Represent himself as an employee, owner, or legal representative of the Company.

Only the Company can officially confirm a booking. Any act outside the Partner's approved authority is void as to the Company and is the Partner's sole responsibility.

[MGMT APPROVAL REQUIRED] Confirm the **approved rate card** and the Partner's exact rate/discount authority (e.g., a floor price or maximum discount), and whether tentative availability may be communicated at all.

---

7 Payment Handling and Records

- All venue rental payments and reservation payments go **directly to Crown Prince Hall Corporation**.
- All refundable security deposits are paid **directly to the Company**.

- The Partner must promptly report booking details and relevant client information to the Company.
- The Company maintains the official booking and payment records in its CRM.
- The Partner must not misrepresent payment status or confirm receipt of funds without the Company's verification.

8 Responsibilities of Crown Prince Hall Corporation

- Provide accurate venue information, approved pricing, and current policies.
- Provide access for authorized tours, subject to scheduling.
- Verify availability and confirm bookings.
- Prepare quotations and client rental agreements.
- Maintain official booking and payment records.
- Verify client payments.
- Calculate and pay earned partner commissions according to the agreed schedule.
- Communicate material policy or pricing changes to the Partner.

9 Confidentiality and Client Information

Each Party will keep confidential, and use only for the purpose of this partnership, all non-public information of the other, including: client contact details and booking information; internal pricing and commission arrangements; venue operating procedures; financial and payment records; CRM information; and internal business communications. Neither Party will disclose confidential business information or use client information outside the purpose of the partnership without authorization. This Section survives termination. The Partner will not use client information for unrelated marketing.

10 Independent Contractor Relationship

The Partner is an independent booking partner and operates his own business. Nothing in this Agreement creates an employment, partnership (in the legal sense), joint venture, franchise, or

agency relationship, except the limited authority expressly granted in Section 6. The Partner is responsible for his own taxes, expenses, insurance, and business operations, and is not entitled to employment benefits. Each Party bears its own costs except as stated here. This provision is subject to applicable law.

11 Term, Termination, and Outstanding Commissions

EFFECTIVE DATE	INITIAL TERM

- This Agreement begins on the Effective Date and continues for the initial term stated above, renewing as agreed by the Parties.
- Either Party may terminate on written notice (notice period **[MANAGEMENT APPROVAL REQUIRED]**).
- The Company may terminate **immediately** for fraud, misrepresentation, unauthorized collection of funds, serious misconduct, or material breach.
- Bookings already secured and confirmed before termination are honored, and commissions earned before termination are paid per the final approved policy **[MANAGEMENT APPROVAL REQUIRED]**.
- On termination, the Partner returns or deletes confidential information and access credentials.

12 Disputes and Governing Law

This Agreement is governed by California law. Before filing suit, the Parties will attempt to resolve any dispute through good-faith negotiation and then mediation in Santa Clara County, with costs shared equally. Any lawsuit must be filed in the state or federal courts located in Santa Clara County, California. The prevailing Party may recover reasonable attorney fees and costs. The dispute-resolution mechanism is subject to review by California legal counsel.

13 General

This Agreement is the entire agreement between the Parties on its subject and supersedes prior understandings between them regarding the partner relationship, including any arrangement implied by the earlier KSX / "The Nobel Venue" documents. Amendments must be in writing and signed by both Parties. The Partner may not assign this Agreement without the Company's written consent. If any provision is unenforceable, the rest remains in effect. Notices are given in writing to the Parties' addresses of record; routine booking coordination continues through the designated Viber group. Neither Party is liable for delays caused by circumstances beyond its reasonable control.

14 Signatures

Each Party signs through an authorized representative and confirms authority to bind the Party named. The Partner confirms the legal contracting name below.

A Appendix A – Commission Calculation Example

Illustrative only. Figures are an example, not an actual booking. Commission is 15% of the venue rental fee; all other charges are excluded unless management approves otherwise.

LINE ON THE CLIENT'S INVOICE	AMOUNT	COMMISSIONABLE?
Venue rental fee	**$5,000**	**Yes — the 15% base**
Cleaning fee	$300	Excluded
Security ($40/hr × 4 hrs)	$160	Excluded
Refundable security deposit	$1,000	Excluded (not revenue)
Taxes / other itemized charges	—	Excluded
Partner commission — 15% × $5,000	**$750**	**Paid separately by Company**

How the money moves: the client pays the full invoice (rental + cleaning + security + deposit) **directly to Crown Prince Hall Corporation**. The Company then pays the Partner **$750** separately, on the agreed schedule. The Partner does **not** take his commission out of the client's payment. Any bar or beverage service the Partner arranges himself is billed by him, kept 100% by him, and does not appear on the Company's invoice or in this calculation.

[MGMT APPROVAL REQUIRED] Numbers are illustrative. Confirm the real rate-card figures, whether commission is on amounts **received** vs **invoiced**, and the handling of a cancellation after partial payment.
